## 2015 Major Thoroughfare and Freeway Plan (MTFP) Amendments

### Frequently Asked Questions

**Q What is a Major Thoroughfare and Freeway Plan (MTFP) Amendment?**

**A** The City of Houston's MTFP was first adopted by City Council in 1942. It is a long range plan that provides for a system of thoroughfares and collectors to support overall mobility. It does not deal with timing of right-of-way acquisition or road construction. The Plan is updated through an annual amendment process. Amendments generally delete, add or modify a portion of a planned Thoroughfare or Collector. Streets such as Hillcroft Avenue, Kirby Drive, and FM 2100 are examples of planned Major Thoroughfares that have matured over the years. The Plan will continue to be modified in order to meet Houston's growing transportation needs.

**Q What is an alternative?**

**A** When the City receives an application to amend the MTFP, staff evaluates the proposed request and studies the adjoining area's major roadway network. The Planning Department (P&D) may identify and evaluate other options in the area, other than the one submitted by the applicant. Such options will be presented as alternatives at the Open House so that all interested parties are aware of options being considered by P&D and Planning Commission.

**Q I received a letter from the City. Why? What does this have to do with me?**

**A** If you have received a notice in the mail from the City, it means that our records show you own property that may be impacted by a proposed amendment to the MTFP. Please read the enclosed report to learn more about the proposed amendment that may specifically impact you and your property.

**Q My property is located in the County, not within the City limits. Why is the City dealing with issues in the County?**

**A** The MTFP covers not just the major road network within the City limits, but also within the City's Extra Territorial Jurisdiction (ETJ). This allows transportation needs to be addressed on a regional basis.

**Q I am concerned about a proposed amendment. What can I do?**

**A** First, you can find out more about the amendment request in the following ways:

You will also be able to have one-on-one conversation with the applicants and P&D staff. Also, you can learn more about what will happen at the public hearing and how you can best express your concerns to the Planning Commission.

**Q What is going to happen at the Public Hearing on July 31? (*see map on reverse*)**

**A** The Planning Commission holds a Public Hearing to provide an opportunity for concerned citizens to make their views known publicly. Comments submitted by July 3, using the online comment form on the website (refer to instructions above to locate the link on the website), will also be taken into account by the Planning Commission in making a decision on amendment requests. Additionally, the Commission will weigh information provided by the P&D staff and other government agencies concerned about transportation in our region.

**Q Who decides what to do?**

**A** Four weeks after the Public Hearing, P&D will present its recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City and made available as a reference to other agencies and the public throughout the year.

# PRELIMINARY REPORT

## 2015: E10 – *House and Hahl Road*

**APPLICANT:** Harris County Engineering Department

**KEY MAP:** 365

**JURISDICTION:** Harris County

**LAMBERT:** 4464

**DISTRICT/PRECINCT:**  
Harris County Pct.: 3

### PROPOSAL:

Harris County is requesting the deletion of Major Thoroughfare House and Hahl Road, between Peek Road and the Grand Parkway, from the Major Thoroughfare and Freeway Plan (MTFP). The Major Thoroughfare is currently classified with 4 lanes and a 100-foot right-of-way (T-4-100).

### APPLICANT'S JUSTIFICATION and HISTORY:

In 2013, an amendment was approved to delete Major Thoroughfare House and Hahl Road from Westgreen Road to the Grand Parkway from the MTFP. The House and Hahl alignment previously crossed the Grand Parkway; however, the design of the Grand Parkway did not account for a grade separation given the proximity to the Bridgelands Creek Parkway interchange. House and Hahl Road west of the Grand Parkway has been tied back to Bridgelands Creek Parkway along a feeder road in order to cross the Grand Parkway. This is consistent with the Parkland Village General Plan, where House and Hahl Road is shown as a feeder to Bridgelands Creek Parkway.

The applicant contends that this amendment should be considered because the MTFP only shows a two mile segment of this roadway designated as a Major Thoroughfare west of the Grand Parkway, which is not a desirable length for a Major Thoroughfare. The designation of a dead-end roadway functioning as a feeder road is inconsistent with the MTFP objectives. The applicant also states that there is sufficient road circulation and mobility by the Grand Parkway having interchanges at North Lake Bridgelands Parkway, Bridgelands Creek Parkway and Tuckerton Road. Also, existing House and Hahl Road was abandoned north and east of the Grand Parkway back in 2013. The roadway still exists as a private road.

The applicant contends that if we leave the Major Thoroughfare as it is currently shown on the MTFP without the amendment, bottlenecks would occur as traffic from the Major Thoroughfare House and Hahl Road would transition to a feeder road along Grand Parkway and terminate at Bridgelands Creek Parkway.

The deletion of House and Haul Road between Peek Road and the Grand Parkway would leave an approximate 1-mile segment of House and Haul Road from Peek Road to the extension of Bridgelands Creek Parkway. This remaining segment should be reclassified as a Major Collector in the future because of its short length.

Portions of House and Hahl Road were first identified on the 1997 MTFP as Herbert Road. Prior to this time, many of the east-west thoroughfares were unnamed and not clearly defined between Cypress North Houston and Tuckerton Road. The 1997 MTFP shows Herbert Road as a Major Thoroughfare from Fry Road to the western ETJ boundary.
